ANNUAL REPORT

# THE INVISIBLE LEADERS OF SOCIETY

# From the Founder & Director

CRDS was founded and envisions building a child-friendly society. The organization seeks sustainable solutions to long-term problems of 'street and working children' through the Rainbow Home approach that reinforces civil society as well as a government initiative. Through an array of empowering measures, it works to open opportunities for children and improve their living conditions. We, at present, is engaged in working with over 100 formerly street children and working children.

CRDS over the last decade has established itself as an organization committed to the welfare and empowerment of children on the street situations and working children. The organization has worked with multiple stakeholders: governmental bodies, private sector, and national NGOs and multilateral organizations to create a platform and an understanding towards this marginalized and voiceless section of the society.

CRDS also understands that children on the streets situations and working children sometime unwittingly become part of corporate supply chains.

To ensure opportunities for education, health, nutrition, play, and survival it was thus necessary to work with the both government and private sector.

We believe that it is possible to provide timely and effective support to those hundreds of children who languish on the streets so that they are restored with families and those who don't have a safe and secure environment, provide long term care with love and affection by our team through "Rainbow Home" in government school premises.

CRDS feels proud to present its Annual Report 2019-2020, which provides you a glimpse of what we did and achieved this year through our synergised effort.

We look forward to the next year with confidence and commitment to our cause. We trust the support of our donors, the government, well-wishers, and the community at large continues to be strong.

Charity begins at home, but it should not end there, Do our part and make a change. Every little bit makes a difference. Let us GIVE!.....whatever we have!

# The Introduction

CRESCENT RURAL DEVELOPMENT SOCIETY started to work on Rural Development issues since 1993. Initially, CRESCENT RURAL DEVELOPMENT SOCIETY worked towards integrated Rural Development aspects in Anantapur Dist. of Andhra Pradesh. Anantapur district has a long and illustrious heritage of voluntarism starting from 1960. The pioneering works of voluntary organizations in the district involve models of organization, mobilization, and unionization of Agricultural laborers, Marginal farmers, marginalized sections of the society i.e. Dalits, and STs integrated Rural Development, Regeneration of women and children, Community health, AIDS Awareness, Watershed Development, Regeneration of De-graded lands and hillocks, etc.

Crescent Rural Development Society (CRDS) is a Non-governmental Voluntary Organization working in Anantapur District for the socio-economic upliftment of the socially and economically deprived people. With its main focus on children, child safety, child education, the organization is committed to the safety and security of the children and their families. The organization is running a Child Care Institution (CCI), exclusively for girls taking care of more than 110 girl children who are coming from deprived communities, single-parent children and parentless children, Homeless children. The "Rainbow Home" program was started in the year 2010 with 5 children in the freely offered house in the Driver's colony of Anantapuramu. Now the home has grown to a strength of 110 children over a period of 10 years with long-term care and protection. Ideally, a Rainbow Home is designed to cater to 100 children. Mostly, at any point of time, we have more than 100 children as we can't afford to ignore vulnerable children seen on the street or referred by a civilian. So far we have impacted around 700 most vulnerable girl children; most of them have been staying with us and few getting groomed for a period of 1 - 6 years and were repatriated seeing the improvement in their family conditions. Thus, we could positively impact around 700 girl children, who otherwise, would have been in bad hands still on the streets, victimized, subjugated, and engaged in anti-social activities. Rainbow Homes Program- ARUN collaborated with CRDS as their local implementation partner to execute, manage Rainbow Home activities in the district of Anantapur in the state of Andhra Pradesh. CRDS has also been associated with Rainbow Homes Program since 2010. We offer services such as protection, shelter, Health, Nutrition, Education, lifeskill, and Career support through the future program. We ensure our children groom and become good citizens through our Rainbow Homes Program which provides holistic and comprehensive care.

# VISION

For every girl child to grow up in a secure and joyful environment where she can fully develop her talents in order to lead an independent life with dignity.

# MISSION

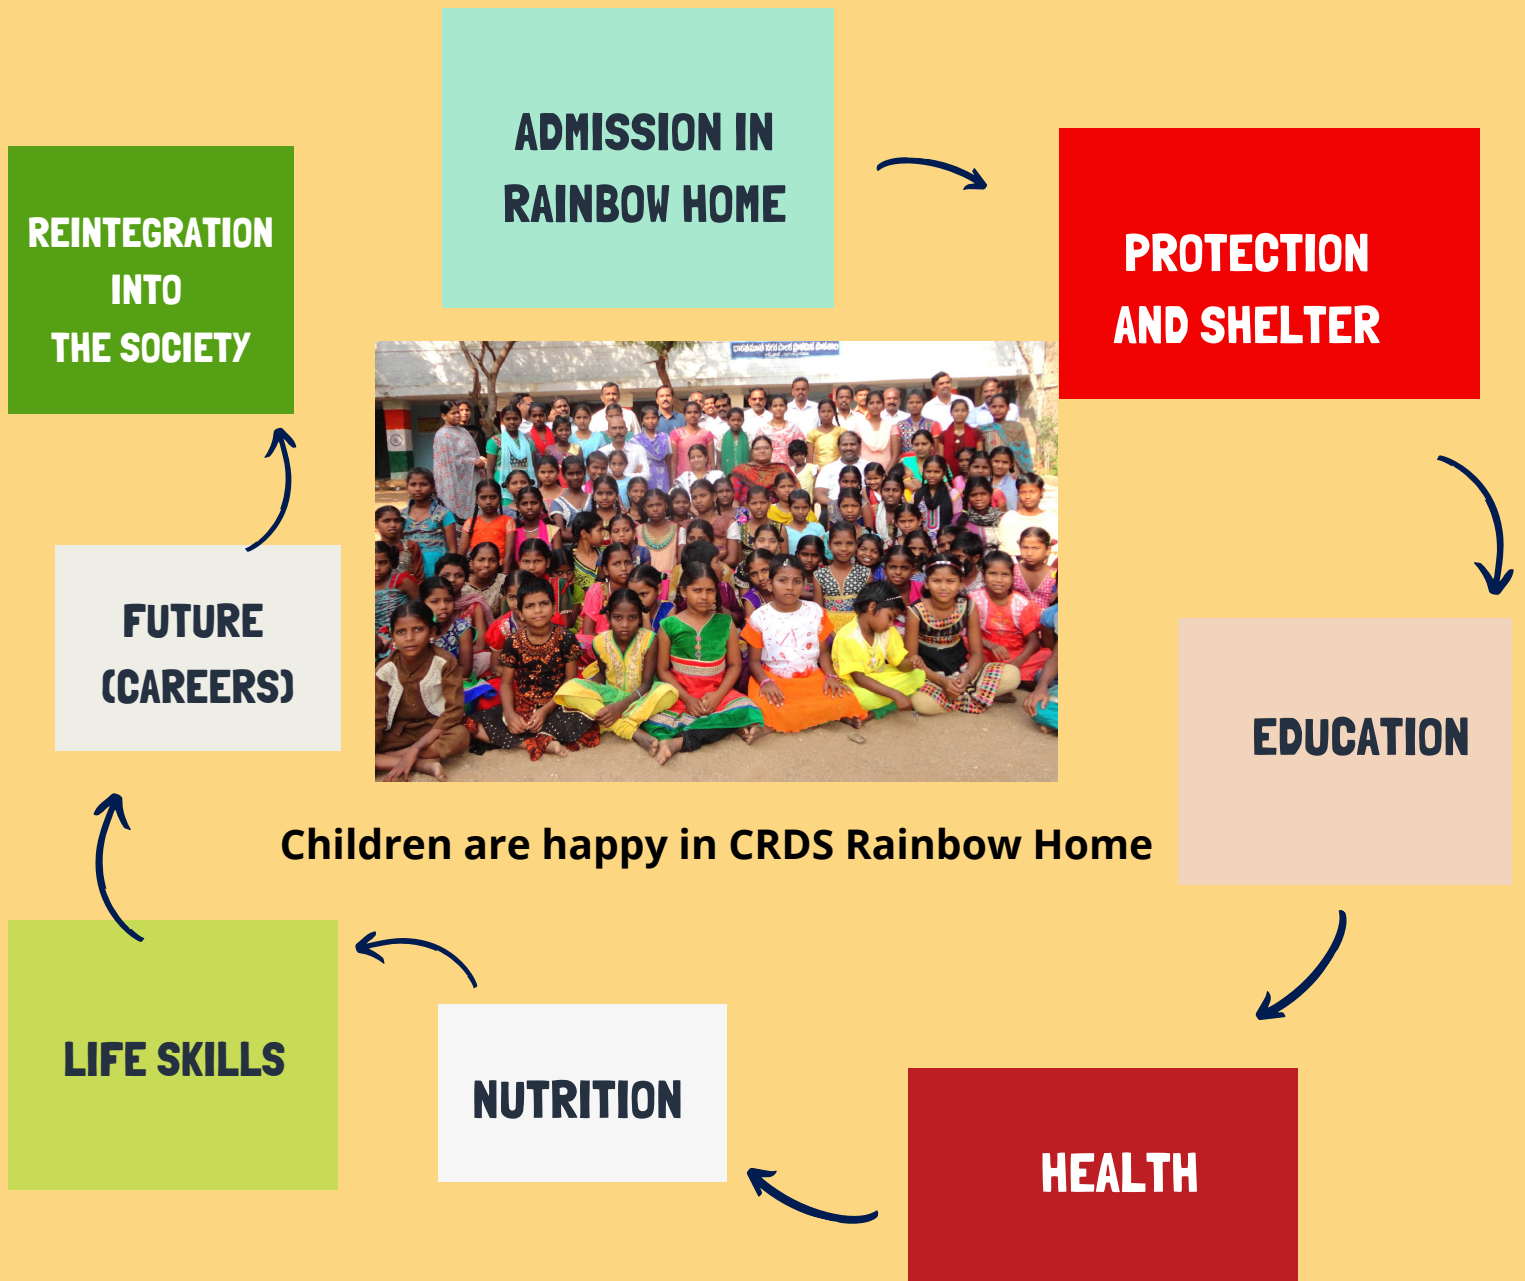

To ensure a safe and happy childhood of vulnerable children on the streets to help them to access protection, education, nutrition and health care.

# OBJECTIVES

"To bring the socially and economically downtrodden communities into the mainstream of development by empowering them and build relationships among themselves for their integrated developments. "

# COMPREHENSIVE CARE AT CRDS RAINBOW HOME

# Comprehensive Care

## LONG TERM CARE-PROTECTION

In line with the objective that a 'homely' atmosphere is created for the children in the Home, CRDS continued its work to give the best care, protection, love and affection to the children at home to build confidence and self-respect among all of them. This year the Home took the utmost care to ensure that the children are taken care of by all means -with a special focus on education, health and all-round development.

This year there were 124 children took resident in the home. We admitted and welcomed 14 New children with the welcome kits this year.

This year can be termed as a joyous year with several activities being organized at the same time as tough time due to the global pandemic and lockdown in India.

## EDUCATION

Education is the process of achieving knowledge, values, skills, beliefs, and moral habits. For our children, we plan innovative methods to make our children learn with ease.

We made sincere efforts to ensure that the children prepare at their best for the examinations.

On 22nd April the children have completed their Annual examination, and all our children were promoted to the next class.

In the 10th class result, the following children passed with good grades

- M. Varshitha (9.5),
- G. Manoja (9.3),
- D. Latha (8.7),
- M. Meghana (8.7),
- D. Dhanalakshmi (8.5).

# Comprehensive Care

In Intermediate results also, we are happy to share that all our children passed Intermediate as follows;

- Teja (8.28),
- Uma (8.17),
- Sireesha (7.72),
- Suvarna (7.67),
- Akhila (7.33).

Children were felicitated and were appreciated by the Project Incharge and Donors. All children from Class X and XII expressed their gratitude to all our supporters.

A special drive to improve the educational status of our children was held during the months of May and June to ensure that the children are well prepared in academics. Basing on their performance the children are grouped into A, B and C. Special attention was paid to the children in the C group by providing extra efforts.

The Home staff went to the school several times and enquired about the performance of the children with the school Head Master and the teachers. As per their feedback and suggestions, the Home Staff concentrated and prepared the children.

## Education Class wise Report

# Health Care

"GOOD HEALTH IS NOT SOMETHING WE CAN BUY. HOWEVER, IT CAN BE AN EXTREMELY VALUABLE SAVINGS ACCOUNT." - ANNE WILSON SCHAEF

We provide continued care and follow-up on Health and Hygiene at our Rainbow Home. We ensured all children have daily baths and the home is cleaned and mopped daily to maintain hygiene. Similarly, tidiness of the clothes, regular and timely washing of school uniforms and casual wear, bed-sheets are also paid utmost attention. It is worth mentioning that several skin-related problems were controlled to a maximum extent through these practices.

We had contacted 4 health-related checkups and camps such as Dental check-up, ENT checkups, Eye checkups and General Health Check-up including blood groups identifying new children.

In December month, a General Health Check-up camp was organized in the Home with the support of the Government Hospital. "Sputum Test & 'X' ray" for 124 children have been conducted and to our happiness, all were tested negative.

After the check-ups, they trained children and staff about how to clean our surroundings and taught us how to wash our hands before eating. Also, they provided awareness on Dengue, cholera, malaria.

Few children were sick as it was winter they got cold and cough. We had consulted the doctor and then the children were normal.

Monitored BMI of all children once in three months. Some of the children were identified as underweight and special Nutritious food is being provided to them.

Actually, our home had a total of 124 children. Out of this only 100 children, who have parents or guardians, were taken away to homes on account of global pandemic & lockdown, since post lockdown from 22 March onwards on precautionary grounds due to COVID - 19.

However, the remaining 24 children were staying in the Home. We have taken all the precautions to ensure their health and hygiene and are maintaining social distance too. For the 10th class especially we were taking special attention to avoid stress in them. We provided nutrition food like leafy vegetables, Ragi Malt, Eggs to all our children.

Covid 19 Precautions - Hand washes two hours once - Our health worker ensures that the children are taken hand wash once in two hours. The children and staffs are also aware of this and following it strictly. Cleaning Rainbow Home thrice a day - the children's committee and house mother cleaned the centre thrice a day with phenyl and detergent powder. Nail cutting off the children done every week and cleaning of personal belongings like bed, bed sheets, blankets did monthly once.

## THE *Nutrition*

"GOOD NUTRITION WILL PREVENT 95 PERCENT OF ALL DISEASE" - LINUS PAULING

Keeping in mind good nutrition, We change the menu every three months. Weekly once we provide Non-vegetarian food to children and eggs twice a week. Seasonal fruits are also provided to children once a week. Occasionally we served special food at festival time. Special events like birthday celebration, new year celebration and women's day, etc. During the summer days' children added interesting and their favorite dishes to the food chart. Dishes like Pani- puri, Fried rice, Gulab jamun, Belpuri, etc. Juices like Buttermilk, watermelon juice, fruit Salad, etc., were served to children. It was prepared at the centre by the cook.

- 10 malnutrition children in this academic year at the home. All the girls are healthy now.
- In weekly meetings, Home Mothers were trained to prepare tasty and nutritious food for the children and to take special care in hygiene. Every month we conducted a meeting with the home mother along with the home team members based on the topic "hygienic nutritious and tasty food" and how to increase the children's knowledge about food intake and to know the importance of consuming tasty and nutritional food.
- Orientation was given on the importance of hygiene and nutritious food by the Food committee and Home manager.

We gave lite food like java, leafy vegetables for sick children and Ragi malt, Dry fruits, Milk, seasonal fruits and proteins food for underweight children.

# LIFE SKILLS

Life skills are abilities for adaptive and positive behavior that enable humans to deal effectively with the demands and challenges of life. Our Home staff named Ms. Mounika and Ms. Pushpalatha had explained about Life Skills to our children. The children who are from 6th class to 12th class have participated. Children listened to them carefully and understood these topics. Through this the child realized the importance of values and how they are useful in real life.

Ms. R. Sasikala Madam (Novelist) visited our Rainbow Home to give training on Child Rights. Madam discussed the Rights, right to life, right to freedom, right to protection. She had given awareness on how to improve Human values among children, to overcome pressure, the importance of education, career and job in our lives and how to choose and set goals.

Our home staff named Mounika and Pushpalatha had given training on life skills to our children. On topics namely River of Life, Moolya Mall (Values Shop) Through this child realised the importance of values and how it is useful in real life. They also oriented on POCSO Act.

# CHILDREN PARTICIPATION AND LEADERSHIP

- The three-sister group is formed in which the elder sister takes complete care of his younger sister. In this way, the children develop a sense of responsibility.
- Balasabha is conducted every Saturday wherein we reflect upon the week and discuss issues pertaining to health, discipline, behaviors, hygiene and education. Children also share their views and suggestions during the Balasabha and express their opinions.
- The reshuffling of all committees had happened in each quarter, all the committee members are oriented about the roles and responsibilities of each committee.

In Rainbow Home, children's participation and leadership are active through the various children's committees formed, Balasabha and the sister's committee.

- The Children's committee includes the Sports committee, Education committee, Food committee, Health committee, Cleaning committee, Discipline committee, and Purchase committee.

# CHILDREN PARTICIPATION AND LEADERSHIP

6 children's clubs were formed i.e. Literacy Club, Sports Club, Laughing Club, Cultural Club and Garden Club & Drawing Club. These clubs conduct review meetings every fortnight on their activities and performance.

Literacy Club has children having literary tastes and creative writing abilities. They also collect more information from the daily newspapers and share it all with children. Sports Club concentrates on those who are interested in sports and encourage others to participate in sports. The cultural club organizes skill-practicing programs and makes other interested children take part in cultural items like Dances, Songs and Mimicries etc., Children who are in the club are improving in art forms. The gardening club looks after flowers and Vegetables. Laughing Club conducts laughing classes by telling jokes and makes all others laugh and be happy. Children are very happy about these clubs; children are eagerly waiting for Sunday for participating in the club activities. They are joining in their respective clubs and wholeheartedly participating and learning enthusiastically.

# EXTRA CURRICULAR ACTIVITIES

## SUMMER CAMP

Summer coaching camps have started in our Rainbow Home on April 1st. The summer classes have transformed the holiday period into a learning and fun-filled time for children. Summer is the best time to keep children busy in extracurricular activities which boost their confidence level and will help them in their overall growth.

## TAILORING COURSE

32 children got training in the important skill of tailoring in preparing women dresses namely Punjabi dress, blouse, etc. from March 1st to June 31st, 2019 for two hours a day. With this, children became perfect in making dresses and we are happy to share that they prepared their own dresses.

## BEAUTICIAN COURSE

17 children got training in beautician course on Mehendi Designs, Haircutting, Face Bleach, makeup, how to color Henna to Hair, etc from March 1st to June 31st, 2019 for two hours a day. With this, children became perfect in beautician course.

# EXTRA CURRICULAR ACTIVITIES

## ARTS & CRAFTS:

Our children have an excellent talent for making arts and crafts. They are trained in making artificial flowers with colour papers, thread bangles and earrings with silk threads and making different types of handbags. They prepared all these materials with their own talent and due encouragement from the Home Management.

Our children are excellent in drawings and in paintings. One of our children named S. Muthyalu had drawn drawings very beautifully on charts.

## DANCE

On the occasion of Ananda Balotsavam in the month of January 29th, our children who are studying 7th, 8th and 9th classes participated in dance programme at District Level. 20 children from our Home participated in this programme in which they performed dance wonderfully. Our children looked good in traditional dresses. They felt happy for performing at District Level event.

# ★ THE SPORTS & Games ★

THE DIFFERENCE BETWEEN THE IMPOSSIBLE AND THE POSSIBLE LIES IN A PERSON'S DETERMINATION. - TOMMY LASORDA

Children were trained in singing, dancing, and Martial Arts. It is made as a part of the curriculum of the Home. Physical exercise is part of their routine every evening in the form of sports and games to help them to be strong in their physical fitness on one side and promoting sportsmanship spirit on the other side.

On 08.12.2019 our Crescent Rainbow home children participated in District level Volley Ball competitions and won prizes. They are S. Renuka, S. Ayesha, S. Rajeswari, K. Pushpalatha, S. Muthyalu, D. Cahndini, V. Mounika, S. Aswini, S. Geetha and B. Ramadevi who are from 7th, 8th, 9th and 10th classes. Rainbow Home staff appreciated the children for their winning at the district level.

On 12.01.2020 our Crescent Rainbow home children participated in Yoga competitions at the District level. Our child named Swathi got first prize. At the same time, they performed yoga asana group-wise for which they got prizes. This was a great achievement for us. Our children felt happy taking part in the event.

# THE FUTURE - OLDER GIRLS

## UDAAN PROGRAM

UDAAN program focuses on completion of basic education, suitable accommodation with the dignified source of livelihood and adequate skills and acquiring overall self-reliance by the time they cross 18 years and support after that too. On 6th August, our children named Meghana, Manoja, Latha, Dhanalakshmi participated in a 3-days UDAAN workshop. They learned so many things from this workshop. It was very much useful work as the children got clarity on many of their dilemmas. The children became serious and inspired by the many of success stories of children from a similar background.

# THE FUTURE - OLDER GIRLS

Our State office conducted a workshop for future children on January 18th at Tarnaka, Hyderabad for three days. Six future children and HMC cum Future Co-ordinator Ms. Pushpalatha attended training for the first two days. In this, they explained the topics like dealing with adolescent emotions and, how the children will think and behave in early adolescence, middle adolescence and late adolescence through role-plays and other adult learning tools.

## Key Programs/Activities of Young Adults:

For young adults, the Rainbow state's future team is organized various activities on life education and career.

We had key programs for YAs on various topics, such as - Udaan workshop, Environment and finance management, life exposure on migrant families, reading books, health and hygiene - covid precautions and awareness on the covid vaccine, Ambedkar Jayanthi, drawing session workshop on Gender.

## THE *Outing and Exposure Visit*

In the month of June, we have taken children to National Park, Iskon temple for sightseeing and recreation purpose. Children enjoyed a lot of this exposure. They had been provided with good food which was specially prepared along with snacks. They felt very happy by seeing and enjoying the sightseeing. Children also visited Shilparamam and got knowledge of prominent and historic people. Later on, they enjoyed Pedal Boating, camel and Horse Riding walking on Water balloons. All of these made children enjoy themselves a lot. They have returned home at 8.00 pm after a daylong exposure.

# FESTIVALS & CELEBRATION

## WORLD DAY AGAINST CHILD LABOR

On the day of International world day against Child Labor, Our children and team organized a rally against child labour. CRDS project director gave awareness speech and we verified many shops that anybody working as a child labour.

## AMBEDKAR JAYANTHI

Ambedkar Jayanti or Bhim Jayanti is an annual festival observed on 14 April to commemorate the birth of B. R. Ambedkar, the founder of the Indian constitution. PI Saddam Basha sir had explained about Ambedkar and his services to the nation and the depressed classes of India.

## GANDHI JAYANTHI

Gandhi Jayanti has been celebrated on 2nd October in the home, all children involved in it. On this occasion, they garlanded Gandhi's photo and paid tributes to the father of the Nation.

# FESTIVALS CELEBRATED

## DEEPAVALI

The festival of Diwali was celebrated on the 27th of October by all the children and staff in the Home. Like any other festival, the children had head bath, wear their good clothes and dressed up in a colorful dress. The staff of the Home and CRDS also joined the celebrations. They brought crackers with them to distribute to the children and enjoyed their company.

## CHILDREN'S DAY

On 14th November Children's Day was celebrated in Crescent Rainbow Home. This day is the birthday of Pandit Jawahar Lal Nehru, the First Indian Prime Minister, a cake was cut to initiate the celebrations. We celebrated children's day for three days. On the last day, our children organized a rally.

## CHRISTMAS

Our donors, who visited the Home on this day, cut the Christmas cake. And spoke about the importance of the Christmas festival. They blessed the children. All the children were happy to receive their share of Christmas cakes and caps on this occasion. Special food was served for the children who felt happy.

# ENGAGEMENT WITH FAMILIES

In the month of November, we conducted a parents' meeting at Crescent Rainbow Home. During Parent's meetings, they were sensitized on Children's education, Health & hygiene and on the achievements made by their children in the home. Parents were updated with the Children's Health, behavior and educational progress. Our Project in Charge explained the importance of the Ammavodi scheme of the state Government which provides cash to the poor families who send their wards to school. After that, he shared the success stories of our children in all aspects and showed the prizes of our children. After that, the responsibilities of caring parents were explained to them especially with regard to securing entitlements and solicited their involvement in other important decisions of children henceforth.

# BUILDING SOCIAL PERSPECTIVE

In the month of November, our team members S. Saddam Basha (Project Incharge) and S. Pushpalatha (Home management Co-ordinator) attended the meeting conducted by the RHP team. It was on Review and reflection of our year-long activities and learning lessons and moving in the right direction. As a result, back at the home, all these were discussed with other staff and did the Review and reflection in turn.

On January 31st, our state office team conducted CPC (child Protection Committee) training. For this training, S. Pushpalatha (HMC) attended the meeting in which state office team members discussed and clarified the doubts on Child Protection Committee (CPC) and Child Protection Policy (CPP). Back at home, all these were discussed with other staff the importance of CPC and CPP in the healthy development of a child and reconstituted it and resolved to strengthen it.

# Special achievements

Our Home needs some of the facilities like Bathrooms, Home Painting, and Roof Slab Replacement. Our children are getting many problems due to fewer bathrooms, leaking roofs and in meantime our donors Mr. Viswanath Chowdary (Circle Inspector) and his friends came forward to help and provided the following facilities to our children;

1. Extra Bathrooms cum toilets,
2. Roof Slab Replacement,
3. Paintings to the walls,
4. Mesh to windows.

Successfully we did it this year !!!

The first thing which we achieved was the construction of bathrooms which was mobilized through civil society with the help of Mr. Viswanath Chowdary (Circle Inspector).

In the month of December, our donors inaugurated new toilets cum bathrooms. During this event, the attended dignitaries delivered inspirational speeches to our children. In this event, our children performed yoga asanas. The program was ended with felicitation to our donors.

The second thing which we achieved was Home painting. Before that, Our Home looked dull with old paintings. But now our Home wore bright colors and so was our children's faces.

Due to heavy rainfall, our Home roof was damaged in some places and there was a water leakage problem. With this, a roof slab replacement was done to the Home. Now the leakage problem was resolved.

To protect our children from mosquitoes or any insects, we provided mesh to the windows. With this, there is no chance for mosquitoes/rats to enter through windows. All the things which were mentioned above are mobilized through civil society worth Rs. 6,00,000. This was a very great achievement for us.

## FAREWELL OF TEAM MEMBER

Our team member named Irfana worked as Home Management Coordinator. She was relieved from our team as she got another job in Bangalore. We arranged a farewell party for her. She felt happy and shared her experience. We appreciate her work. Ms.Pushpalatha has been promoted to Home Management coordinator.

All the best Pushpalatha for your new role!!!

# Monitoring visit by State office

In the month of November (04.11.2019 to 05.11.2019), a Monitoring visit was held by State Office Team. All the Home Team members participated in this review and reflection monitor visit conducted by Arunmai, Ambika, Samad, kranthi, shivakumar, Lavanya, Mamatha and Alivelu. They visit all the places of the home included information regarding the registers to be maintained in the Rainbow Home. This review meeting was very useful as it gave valuable information about how to deal with the children, how to develop cordial relationships and communicate with the children to make them feel at Home. Training on the modern teaching aspects and personality development of the children was very useful which improves efficiency while dealing with the children.

THANK YOU FRIENDS

# Difficulties & Challenges

- Finding quality staff and retaining them is also becoming problematic with limited honorarium being provided to them compared to the competitive market offerings.
- Another challenge is, it is getting very difficult for the staff to handle the Parents who want to take their children from the Rainbow Home and involve the children in their earnings at times, and they quarrel with the staff for not allowing them to take. Sometimes children too don't come back to the rainbow homes because of the parent's pressure.
- The major issue by CWC is that they are forcing us to enroll our children in Government KGBV's. Also, they are doing delay in giving order copies to our children.
- Due to heavy rainfall, our building was slightly damaged. In some places, there is a leakage. We are trying to get it repaired.
- Our 10th class children total of 13 students are going to write the public examinations which are near. Our children and staff are putting in hard work to get good results. This is a big challenge for us.
- Due to COVID 19, our children's families lose their livelihood and income. To help and support them, we distributed provisions two times. For the first time, we distributed vegetables worth Rs. 1500 to each family mobilized through civil society. It is a matter of satisfaction to us. For the second time, we distributed provisions donated by RHP worth Rs. 2500. In this grim situation, the provisions which were distributed to parents helped them a lot. They felt very happy about this support.
- Also, we distributed food packets to hundreds of people who are living on the streets.
